

## Summit on Health Care Reform

January 22, 2010  
Hilton Riverside Hotel  
2 Poydras Street  
New Orleans, Louisiana

### PURPOSE

The Summit's purpose is to examine current national health care reform efforts and their implications for quality improvement and increased efficiency and effectiveness in service delivery in Louisiana. This event brings together local and national leaders to share their perspectives on how national reform may impact current state and local efforts to develop patient centered medical homes and coordinated care networks, promote quality measurement and improvement, adopt electronic health record technologies and develop a state level health information exchange.
